

CORPORATE CAPABILITIES

COMPREHENSIVE CAPABILITIES | PROVEN PAST PERFORMANCE

Industry-leaders in the Information Technology and Management field, we go beyond traditional consulting to bring extensive operational experience in solving complex, enterprise-wide challenges.

OPTIMIZING WHAT'S IMPORTANT TO ENSURE MISSION OUTCOMES

Coho Consulting Group, LLC (Coho CG) is a Federally recognized Alaska Native, Tribally owned, SBA 8(a) Certified entity focused on providing the public sector with strategic consulting and professional services. Industry-leaders in the Information Technology and Management field, we go beyond traditional consulting to bring extensive operational experience in solving complex, enterprise-wide challenges. By delivering practical, hands-on consulting, we support our clients' operational managers and fills the void between other, basic staff augmentation and expensive, high-end consulting firms. We understand operational managers are those clients most in need of our practical consulting advice and hands-on operational support to implement process improvements and other business solutions that save their organization's time and money so they can stay focused on achieving their business vision and mission.

We are driven to transform our client's businesses into innovative, forwardthinking, and competitive enterprises. Our past performance includes services to all Department of Defense service components, numerous Federal Civilian agencies, as well as State, Local and Educational organizations. We have a proven history of managing complex functional and technical projects, teams, and resources to meet our client's objectives. We have demonstrated success in managing contracts valued in-excess of \$100M, including those addressing enterprise-level system capabilities for Supply Chain / Logistics, Budget / Finance, Acquisition, Program Management, Information Technology, and Contracting.

AT A GLANCE

Federally Recognized,
Alaska Native, Tribal-Owned,
SBA 8(a) Certified Entity

DIFFERENTIATED PROCUREMENT ADVANTAGE

Copper River offers a differentiated procurement advantage. As defined by the SBA 8(a) program Alaskan Tribal-Owned companies, like Copper River, are able to provide flexible procurement benefits to our government clients which enables us to create, grow and manage their business. These FAR-compliant procurement benefits include:

01

For DoD, NASA, and the Coast Guard, 8(a) direct award contract thresholds are increased to \$100M without justification. [Reference: FAR 6.304(a)(4)]

02

For other, non-DOD entities, 8(a) direct award contracts may be awarded to an Alaskan Tribal 8(a) entity of up to \$30M without justification. This is above the standard \$8.5M threshold other socially & economically disadvantaged entities are subject to (i.e., entities that are not Alaska Native Corporations, Indian Tribes, or Native Hawaiian Organizations). [Reference: FAR 19.805-1(a)(2)]

03

Any 8(a) direct award contract awarded to an 8(a) entity is non-protestable. [Reference: 13 CFR 124.517(a)]

ABOUT THE COPPER RIVER FAMILY OF COMPANIES

Coho Consulting Group is proud to be a part of the Copper River Family of Companies. Owned by the Native Village of Eyak, the Copper River Family of Companies are a collection of both current and graduated Small Business Administration (SBA) 8(a) Certified entities that bring extensive experience supporting the diverse missions of our clients. From Cyber Security Solutions to IT Business Professional Services, and Construction Services to Marine Manufacturing, our vast past performance spans across multiple sectors to support a wide-range of requirements. Highly-skilled in solving complex challenges, Copper River brings a team of seasoned professionals that work closely with our clients to understand their problems and address their challenges through unique, customized solutions and services. For over a decade, our clients entrust us to deliver modern, agile, and differentiated solutions and services.
